

Community of Sun Rivers Owner Association

COMMUNITY GARDEN COMMITTEE

- PURPOSE:** To recommend policies, improvements and operating procedures for the Community Garden and composting site to the Directors. To recommend capital expenditures to enhance the facilities.
- FOCUS:** Community garden and composting site operations
- COMMITMENT:** The time commitment is approximately 1 hour – 3 to 4 times per year as required.
- SKILLSET:** Knowledge and awareness gardening and composting practices. Normally volunteers would be users of the garden.
