

JUANITA RYAN

Piano Lessons: children & adults

We have in our community an accomplished pianist who has been teaching children from five year old beginners to completion of A.R.C.T. degrees.

Juanita started teaching in Penticton then on to North Vancouver, West Vancouver and Nanaimo. She and husband Peter moved to Sun Rivers in July 2016.

Over the years, many of her students placed first in regional competitions and some are now professional musicians.

Most recently a local Sun Rivers student entered the Kelowna Kiwanis Music Festival and came first in three classes and received the Kiwanis Shining Star Award.

Juanita's studio with its' grand piano is located at 1898 Ironwood Drive, on the corner with Sun Rivers Drive. She can be contacted at 250-828-9911.

Limited space is available for young eager students.
