

BIGHORN
GOLF & COUNTRY CLUB

To Residents of Sun Rivers Community

We are pleased that residents enjoyed walking, hiking, walking their dogs, snowshoeing on the golf course – OFF SEASON

Now that the golf course is open- RESIDENTS & Non-Golfing members are not permitted to be on ANY PART of the course including cart paths.

Walking on the course during golf season is a liability issue for Big Horn: but more importantly a SAFETY ISSUE for Non-Golfers

Unfortunately, a walker has already been hit by a golf ball!!!

PLEASE! PLEASE! Do Not walk on the course, it is after all private property.

Kindly be part of the solution!

Thank you, Directors Big Horn Golf Club
