Community Of Sun Rivers Owners' Association

Pet Reminders

Good afternoon, Sun Rivers Residents!

Just a few quick reminders from the CSROA Communications Committee for your reference.

Be reminded that all pets are to be leashes at all times, this includes walkways and trails. Please be mindful of the disturbance that barking may cause to your neighbours and ensure it is kept to a minimum.

Residents and owners are asked to dispose of the pet waste in an appropriate manner. There are 22 dog waste (garbage bin) stations and 20 bag stations through out Sun Rivers to assist residents with disposal of pet waste. Please refer to map below for locations.

Don't forget www.mysunrivers.com is your main source of information, news, and events by the community for the community!
