### LANDSCAPE LABOURERS, SUPERVISORS

Type of Employment: Full Time, Seasonal until October 31

Salary: \$17.00 to \$25.00 /hour depending on experience

Landscape Labourer position

Sun Rivers Landscaping is seeking candidates to assist with the maintenance of community and neighbourhood landscaping and irrigation systems. Duties include, planting, pruning, weeding, raking, fertilizing. Operate and maintain power mowers, weed eaters, leaf blowers and other landscape equipment.

Horticultural experience is an asset, but not required. We will train those who are enthusiastic to learn. If you are mature, energetic, enthusiastic team players with a strong commitment to customer service and love working outdoors, this could be the job for you.

Landscape Supervisor position

- Applicants for Maintenance supervisory positions must have a minimum of three years relevant experience- Horticulture certificate an asset - Irrigation experience is an asset- 5-year Pesticide applicator certificate required.

The maintenance supervisor may perform the same duties as the workers supervised. As well as assess the health of lawns, trees and shrubs within the landscaped area. Diagnose insect and disease problems and apply fertilizer, pesticides, or other plant care products as required.

The maintenance supervisor ensures crews compliance with quality and safety standards, trains and evaluates the effectiveness of the crew, Ensure the proper use, care and inventory of company vehicles, equipment and tools.

Sun Rivers offers a dynamic environment for career development with opportunities for advancement and autonomy. We pride ourselves on coaching to success through leadership training, coaching, and education to ensure the highest quality service is provided to clients, residents, suppliers, and visitors to Sun Rivers.

Wage commensurate with experience

Starting wage with no prior experience \$17.00 per hour. Starting wage for those with experience will reflect experience and capabilities.

Competencies:

- Knowledge of methods & materials used in landscape maintenance.
- Working and safety knowledge of and ability to use hand, power tools & equipment.
- Ability to operate trucks and light motorized equipment.
- Physical strength, stamina, and agility.
