

COMMUNITY FAIR VOLUNTEERS NEEDED

Hello Residents of Sun Rivers.

For many years, we have enjoyed our Community Fair. It is something that many people look forward to in the month of September.

Deb and Lenore have managed the event with the much-needed assistance of volunteers from within the community.

The time has come to pass the torch to those who live in Sun Rivers.

The recipe for future success requires:

1. A Core Group to manage the event ..

Deb and Lenore will be available to assist in a background role. They have created many records of past events, complete with budget, inventory and expenditures to assist coordinators for future events.

2. Volunteers to man each station such as ..

Entrance/Crafts/Inflatables/ Barbeque/Bingo/Facepainting/Candy Shop etc plus any new activity that would create interest and participation

Please consider putting your name forward so that this most awesome, and well-attended event continues throughout the years. **Residents interested in joining the CSROA Community Fair Committee should email info@kineticproperties.ca with your contact information.**
